

INNOVATION INCUBATORS

ARE YOU LOOKING FOR COLLEAGUES WHO HAVE SIMILAR CHALLENGES AS YOU? DO YOU NEED A PLACE TO EXPRESS NEEDS, FRUSTRATIONS, OR EVEN VICTORIES WITH PEOPLE IN A SIMILAR CAREER PATH?

Innovation Incubators are a NEW form of professional development introduced by ISAE. Get together for an informal roundtable discussion with colleagues in your profession. Each incubator is designed to discuss topics specific to your career and interests.

Discussions will be modeled around each career path. For example, if you choose to attend the four CEO roundtables, the discussion topic may be ethics one day and succession planning on another.

INCUBATORS ARE ONLY \$10 EACH, OR PAY FOR A FOUR-PACK IN YOUR CAREER PATH AND SAVE \$5!
