

**INDIANA UNIVERSITY
RECREATION, PARK AND TOURISM STUDIES
DEPARTMENT INTERNSHIP/JOB FAIR 2009**

Tuesday, February 10, 2009
10:30am – 1:00pm
HPER GYM 163
Indiana University-Bloomington

The **Internship/Job Fair**, sponsored by the Indiana University- Recreation, Park and Tourism Studies Department, will connect you with over 300 talented Indiana University students. Maintain your presence on campus and maximize your recruiting efforts by participating in the **Internship/Job Fair!**

REGISTRATION: Registration details are outlined on the enclosed registration form. Your space at the Fair includes a table, two chairs, and a table tent with your organization's name. You are welcome to bring a table display, but we cannot accommodate oversized displays or other large items placed in the aisles where students need to walk. Please return the enclosed registration form and payment by December 31, 2008 (or after December 31, 2008 the registration fee will increase-see enclosed registration form for details). After receiving your registration form, we will send you a confirmation packet highlighting directions, parking, lodging options, etc.

INTERVIEWS: Many employers conduct **on-campus interviews** the day of their participation in the Internship/Job Fair. If you are interested in this option, we suggest making arrangements to meet with the student after the fair. Please contact Jeremy Harmon at the IU Career Development Center jeharmon@indiana.edu (812) 855-0576 and he will reserve an interview room for you after 1:30pm on February 10th.

We look forward to a successful Internship/Job Fair, and hope to see you in February!
