Lunches, Lunch/Seminar Combos (1 of 3 pages)

Lunches & Lunch/Seminar Combos

This year, the ISAE Professional Development Task Force has elected to include a few lunch/seminar dual events for the programs that simply need a little more time to get to the meat of the meeting. We will also continue to offer stand alone lunches as we have done in the past.

Lunches & lunch/seminars are attended by a wide variety of individuals. CEOs and staff attend these events as a quick way to obtain continuing education credits. Associate members attend to mingle with our association members.

ISAE often times has 75+ attendees for a lunch or lunch/seminar event with a wide range of speakers and topics. This is a great way to reach a variety of association professionals and meeting planners.

This year ISAE will offer a luncheon and two lunch/seminar combos to our members.

Seminars

Seminars differ from luncheons in their focus: seminars are more focused on education and less on networking. They are usually held in the morning, include a continental breakfast and most often cater to our association members.

Our seminar attendance can vary. Depending on the topic, we usually have from 30 up to 75 attendees. If you're looking to reach a key group of association members, then seminars are the best route to reach your audience!

ISAE will offer 3 seminars to our membership this year .

CAE/CEO Management Retreat & CEO Bootcamp

In 2010 we decided that the best way to engage CEOs and CAEs was to combine the CEO/CAE Retreat and the Bootcamp into one power packed 2 day event! The Bootcamp portion of the event will be all day on Thursday and then Thursday evening the Retreat will begin. This is a great way for Newer CAEs/CEOs to gain knowledge from the veterans and for the veterans to learn from the fresh faces!

The CAE/CEO Management Retreat/bootcamp is a great event if you are trying to reach key CEOs and association decision-makers. It has been said before by CEOs that this is their favorite ISAE event because it allows them to get together with their colleagues and discuss a book or hot-topic. This event is almost always held outside of Indianapolis, allowing Indianapolis-based CEOs to "get away" from the office. The format usually includes a dinner or social gathering on the first night followed by breakfast; topic discussions; lunch; and continued discussions the next day, ending in the early afternoon. This year the CEO/CAE Management Retreat will be held on October 28th & 29th.

Event Sponsorship...\$1000

- October 28th & 29th
Sponsor the CAE/CEO Management Retreat & Bootcamp and receive one complimentary registration, signage at the event, a 5 minute opportunity to present your services at the breakfast, an opportunity to have literature at the tables and your logo on all promotional materials.

CAE/CEO Breakfasts

During ISAE's development in 1960, the organization was originally designed to serve association executives-only (not additional staff). ISAE later realized that it would be beneficial to provide professional development for all association staff. As a way to keep some of the original focus, we now offer our CAE/CEO Breakfasts.

These events include a continental breakfast and are in a roundtable discussion format, centered around a specific topic.

Attendance is usually from 10 to 30 executives. This is a great way to reach the top decision makers! ISAE will offer 3 CAE/CEO Breakfasts this year.

Breakfast Sponsorship...\$500

- Serve as the breakfast sponsor of one of our three CAE/CEO Breakfasts! For \$500, you will receive one complimentary registration, signage at the event, a 5 minute opportunity to present your services at the breakfast, an opportunity to have literature at the tables and your logo on all promotional materials.
